Here at Arizona Tuition Organization (AZTO), our mission is simple, to make Christian Education affordable and accessible so that participating students can impact the world. AZTO is a state certified 501c(3) School Tuition Organization (STO) that focuses on supporting Christian Education in Arizona. Since 2004, AZTO has issued over \$25 Million in tuition awards to students attending our partner schools through Arizona's Private School Tuition Tax Credit Program. AZTO distributes approximately 92% of all donations. This brochure is designed as a program overview. Please visit azto.org for full program details.

Applying

- AZTO invites you to apply for your student. We offer an online application for both the Individual and Corporate Credits at azto.org. All participating students must apply each school year.
- The 2020-2021 Application becomes available on March 18th. We recommend applying before the start of the school year to be eligible for AZTO's largest award cycles. AZTO does accept applications throughout the school year, closing the application on February 28th, 2021. A current approved application must be on file prior to the release of any tuition awards.
- New 2021-2022 kindergarten and transfer students are welcome to apply in the 2020-2021 school year. Students may participate in the tax credit programs up to one school year prior to their attendance at the partner school.

AZTO has allowed our children to attend the Christian school that we otherwise could not afford. We are so thankful that our students can receive a quality Christian education that best suits their needs and prepares them to lead a life for Christ!

Because of AZTO's tuition grants, we can send our children to the private school of our choice. As their parents, we feel this school best meets their academic and social needs.

How it Works

- Once your student's application has been approved by AZTO's board for participation in the tax credit programs, you are ready to spread the word.
- You can promote the tax credit program to your family and friends, anyone who pays Arizona income taxes. Personal letters or using social media can help you in promoting the program. More ideas, sample letters, a video, and a Facebook link can be found at azto.org.
- Arizona Individual taxpayers may make a recommended donation to AZTO suggesting your student for a tuition award. Donations are accepted online at azto.org or by mail with a Donation Form.
- Once AZTO approves the recommended donation for your student, the award will be issued to the participating school at the next award cycle. Award details can be found in your student's login portal at azto.org.

Timeline for Award Cycles

- Tuition Grants are defined as board approved tuition awards from donor recommendations. These awards are issued five times throughout the school year from the Individual Tuition Tax Credit Programs (Original & PLUS/Overflow).
- Tuition Scholarships are heavily focused on financial need, program eligibility, and special circumstances. Current school year scholarships are issued twice a year: Corporate Credit in September and Individual Credits in February.
