

2025-2026 STUDENT APPLICANT GUIDE

Arizona Tuition Organization

Here at Arizona Tuition Organization (AZTO), our mission is simple, to make Christian Education affordable and accessible so that participating students can impact the world. AZTO is a state certified 501c(3) School Tuition Organization (STO) that focuses on supporting Christian Education in Arizona. Since 2004, AZTO has issued over \$38 Million in tuition awards to students attending our partner schools through Arizona's Private School Tuition Tax Credit Program. AZTO distributes approximately 92% of all donations. Please visit azto.org for full program details.

Applying

- AZTO invites you to apply for your student at azto.org. Create a Student Portal account for your family. Then, apply for one or more of your students. The online application is valid for both the Individual and Corporate Credit Programs. All participating students must apply each school year.
- AZTO's 2025-2026 Application became available in the spring of 2025. We recommend applying before the start of the school year to be eligible for AZTO's largest award cycles.
- If your new 2026-2027 Kindergarten or Transfer student will be participating with donor recommendations prior to February 1st, 2026, please complete AZTO's Pre-Apply to register your student. After this date, complete the new school year application.

How it Works

- Once your student's application has been approved for participation, you are ready to spread the word. You may promote this program to your network of family and friends, anyone who pays Arizona income taxes.
- You can create a custom Family Landing Page on AZTO's Student Portal that can be shared via social media, text, or email. More resources, a recorded tax credit workshop, brochures, a promotion video, and a Facebook link may also be found at azto.org.
- Arizona Individual taxpayers may make a recommended donation to AZTO suggesting your student for a tuition award. Donations are accepted online at azto.org or by mail with a Donation Form.
- Once AZTO approves the recommended donation for your student, the award will be issued to the school at the next award cycle. Award details can be found in their Student Portal.
